Description

An Edwardian mantel or bedroom clock timepiece in a mahogany case, the arched top case with outswept sides and with boxwood stringing and a line of rosewood and boxwood inlay around the base, raised on brass feet, with a brass bezel and convex glass with a bevelled edge over a 3½" off-white dial with Roman numerals in black, outer minute track and quarter hour markers and blued steel hands, to a Swiss eight day timepiece movement with a lever escapement by Buren, with integral winder and adjustor, and with a brass back cover. English, with a Swiss movement, circa 1910. Condition: Excellent, the clock is in very good condition with no marks or damage to the case, the numerals are bold and clear, the movement has been fully serviced and overhauled and is in excellent working condition. Overall the clock has a neat, elegant appearance with delightful proportions and pleasing colour.
