Description

Gents Longines Surfing wrist watch, 1966. The watch has a calibre 701 17-jewel hand-winding movement which is working nicely. The movement is fully signed and it has the serial number 13,243,415 which dates it back to 1966. The watch measures 33.5mm diameter excluding the winding crown and the lugs. The case is stainless steel and it is in lovely condition. The inside of the case back has the Longines logo, while the back of the watch states that the watch is waterproof but, as with any vintage watch, it should be kept away from water and moisture. Plain winding crown. The lens is in lovely condition. The signed dial is in good original condition with handsome cross hair detailing, original hands, centre seconds and date display (not quickset). A new leather strap has been fitted. The watch comes in a new presentation box.
