Silver double folding photograph fram

Price

Sold**Item Reference: SA1121629****Date of manufacture: 1920**

Description

A good quality double silver folding photograph frame London 1917. Original wooden back to both both sides. Appears to be original glass. Makers mark for Dimier Brothers. Good overall condition commensurate with age and use, there are signs of wear. Each of the clips is marked with a lion. Overall width 25.7 cm Height 16.5 cm Aperture for picture 10x 13.5 however the frames sides are quite wide so will take a slightly larger photograph. Someone has marked the wooden interior with 150g.
