Description

An outstanding antique teak military campaign chest of drawers, dating from around the 1860-1880 period. The quality is absolutely amazing, this is a very smart and very useful item. This has lovely inset brass military handles, and lots of storage space, all the drawers have fine hand cut dovetailed joints. There are beautiful brass fixtures throughout, and this comes apart in two pieces for ease of transport. We have just had this re-polished, it is in very good condition for its age. There is just some very minor wear and a few marks remaining here and there beneath the polish. Width – 36 inches , 91 cm Depth – 20 inches , 50 cm Height – 42 inches , 105 cm
