Description

A 1930's Art Deco chest of drawers made from a beautiful walnut. The walnut is laid perfectly creating an upwards grain pattern from the bottom of the drawers graduating to the top. The base and handles are made from ebonised wood. The key provided works every single drawer as it should which is a nice touch, the inside lock is stamped 'I.W.&S'. It's been sympathetically cleaned and wax'ed maintaining its true Art Deco character and it brings out the super deep grain to the wood. The overall condition is genuinely great.
