Date of manufacture: Victorian

Dimensions

Height = 32 cm (12.6")

Width = 20 cm (7.9")

Depth = 13 cm (5.1")

Description

19th century mantle clock. The 8 day movement striking the full hours on a cast bell giving a lovely clear mellow sound. Although this Clock is around 130 years old the porcelain Plaques are in perfect condition without cracks, chips or abrasions due to over cleaning, a very rare find these days. The photographic images do not do justice to the vibrant colours of the decoration of birds fluttering amidst blossoms. For further Clocks and decorative items, please view our stock page here, or visit our website. www.frankcraigantiques.com.
