Description

This is a n Antique Goerge II Free Standing Oak Corner Cupboard c1740-60. it is raised on short legs with a lower pair of doors with catches to the inside of the left hand door. The upper section also has aa pair of doors with catches to the inside of the left hand door with original lock and key. It also has a single shelf to the inside of the upper section with loads and loads of storage. A gorgeous piece that is full of history. When this piece was made General Cornwallis had not surrendered at Yorktown (1781), the battle of the Nile hadnt been considered (1798) and the Napoleonic Wars were not yet thought about, we were the greatest Empire on the planet from a little island in the Northern hemisphere. What could this piece tell us about the world and ourselves. height 184 cms 129 cms wide across the front 89 cms deep across the back where you dont see.
