Description

An attractive music cabinet in mahogany that dates to around 1905. In beautiful condition, it has been professionally restored in a light brown waxed finish that really enhances the deep grain configuration. It has six drawers with drop down fronts and nice brass drop handles and spade feet....very indicative of its' period. It would be ideal for a filing cabinet or for its' original use and would grace a period or contemporary setting. Measures 35 inches high, 20 inches wide and 14 inches deep.
