Description

A really attractive tilt top table in mahogany that dates to around 1870. In great original condition in a deep brown waxed finish, it has an historical repair to the top which does not detract from it in any way. It sits on a turned pedestal with carved tripod feet. Measures 29 inches high and has a diameter of 30 inches. Ideal as a breakfast table or in a bay with a large display of flowers. For collection or I can arrange delivery.....
