A stunning pair of antique French marble top side tables, dating from around the 1930's. They are a very useful size and are of superb quality. They have serpentine shaped fronts and gorgeous inset marble tops, each has a useful single drawer. There are high quality gilt metal mounts and a beautiful pierced gallery around the tops. They are made from solid birch, with lovely inlays of walnut and satin wood. We have had them recently re-polished, they are in excellent condition for their age, with only some very minor wear here and there.
