Description

This elegant 20th-century pedestal desk, crafted from rich walnut, is a beautifully designed and highly functional piece. Standing on a sturdy plinth base, it offers a timeless and sophisticated look, perfect for a study, home office, or library. The desk features a striking red leather writing top, which provides a smooth and luxurious surface for writing or working. It is fitted with a total of nine drawers—four on each side and one large central drawer—each retaining its original brass handles, adding to the desk's refined aesthetic. The walnut showcases a magnificent grain and warm, rich colour throughout, further enhancing its classic appeal. Of good quality and in good condition, this desk offers both style and practicality. Please note that the desk does not come apart and is a single solid piece, so careful consideration should be given when planning its placement. A beautiful and functional addition to any traditional or period-inspired setting, this desk is sure to make a statement.
