Description

A smart, conveniently sized late 19th century inlaid mahogany chest of drawers with three long graduated drawers with brass drop handles, each fronted with beautifully figured mahogany and outlined by neat bracketed inlay. Solid and functional, with just enough refinement, its compact proportions and simple form make it a versatile storage piece for bedrooms, studies or living spaces, equally suited to traditional or more contemporary spaces. Presented in very good antique condition with a warm, even finish and only minor surface wear consistent with age. The drawers run smoothly and the piece is structurally sound, clean, and ready to place in the home. English, circa 1890. H: 92.5 W: 94 D: 56 cm
