## Description

A wonderfully original 18th century George III side table with the superbly aged time worn top over a single small drawer and featuring original intact decorative brackets to the front legs. Very good condition, structurally all sound with lots of beautiful aged wear and an excellent patina. The rear left leg bows in slightly which has occurred naturally with age but this does not in any way affect the structural integrity of the table. Evidence of past, long gone woodworm to the underside. English, circa 1780. H: 74.5 W: 86 D: 42 cm Height to underside of table: 60 cm
