Description

Antique Chesterfield Sofa circa 1880 - Ebonised legs and original black porcelain and brass wheels. Brown heavy cotton covering. Traditionally upholstered with a sprung seat and back, built up with hessian and horse hair filling. The upholstery is in good structural order but the outer fabric is a little tired looking with a few pressure marks here and there. Width 196cm x Depth 90cm x Height 65cm, with a seat width of 137cm, seat depth of 58cm and seat height of 34cm. I've noted some small losses to the top part of the legs which can be easily fixed and we can have that promptly done prior to dispatch.
