Description

Fine quality set of six Regency mahogany dining chairs circa 1820. The chairs have very well figured mahogany bar back with a very well carved cross rail, they stand on fine reeded front legs and out swept back legs. They have a wonderful rich mahogany colour with cream upholstery. They remain in very good condition with no loose joints and wood worm free. They have at some point been recently restored and upholstered, the upholstery does show some signs of light use. The seat height is 46 cm.
