Description

A superb pair of antique Swedish leather club armchairs. They were recently imported from Sweden, they date from around the 1900-1910 period. The quality is outstanding, they are of generous proportions, they are well sprung and are extremely comfortable. They stand on solid oak tapered legs and have a gorgeous colour tone. The condition is excellent for their age, the leather has been enhanced and revived by our leather restorer, the legs have also been re-polished. There are a couple of tiny repairs to the leather seen in the images, overall they have a wonderful patina and no major damage. Width – 35 inches , 89 cm Depth – 32 inches , 82 cm Height – 30 inches , 76 cm Seat height – 17 inches , 43 cm
