Description

French Directoire Period Marble & Ormolu Portico Clock 1795-1799 Very nice French Portico clock from the directoire period of 1795-1799 The clock case is made of white marble and furnished with ormolu fittings. The convex enamel dial has blued steel hands and is set in a ormolu roundel with underneath an ormolu freeze of curtains, mythological beast, a face and floral ornaments. The 8 day movement with a silk suspended sunburst pendulum strikes the half and full hours on a silvered bell. The clock is in perfect working order. Minute repair to the corner on the left side top
