Description

A small 19th century honey coloured oak low cupboard. The pegged top with moulded edge above a single drawer with carved front, bold waist mould above a panelled door with iron hinges butterfly hinges, which opens to reveal an interior with one shelf, the cupboard has double panels on each side. Nice carved decoration on the stiles and base, all standing on short square feet. Good colour and condition, a useful piece that is only shallow in depth. Probably Continental Circa 1870.
