Description

A fine example of an antique taxidermy Horse's Hoof with a silver plated mount. The top is engraved "CHABLIS 1876". It is a good quality piece with a silver plated shoe below. It is in very good condition for its age and displays very nicely. The hoof is a good large size with a nice patina and shine. The mount is in good condition with just some small dinks and some areas of tarnishing but it has been lightly cleaned and polished and displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £10
