Description

18thc OLD MASTER CHARCOAL PORTRAIT DRAWING CARVED FLORENTINE FRAME BEARDED ELDER Brief Description: New to the market is this wonderful, original, period 18th-century Old Master Charcoal Drawing depicting a Bearded Elder with his head bent forward almost as if in deep thought. The piece screams period charm, and it is mounted within the original 18th-century finely carved giltwood Florentine frame. It is an exceptional drawing which is signed by the artist lower right, however, we can not quite make out the signature. Offered for sale in lovely, original condition commensurate with age. Attributes: Charcoal Drawing on card Signed lower right Circa: 1795-1800 Condition: Offered for sale in lovely, original condition commensurate with age. The frame has a couple of small wood splits, and the artwork itself has a handful of very small foxing spores, all of which are in perfect keeping with a piece dating to the 18th century.
