Description

This Rolex Oyster Perpetual 6085 is a truly stunning example of a early 1950's Rolex Semi bubble back. Yellow gold with its original bracelet. Exceptional condition for a watch from 1952 and accompanied with its original Rolex box. This Rolex Oyster Perpetual 6085 has a 34mm case size in yellow gold, Rolex yellow gold crown. Fitted to original Rolex riveted expandable yellow gold bracelet with fold clasp.(would fit a wrist up to 17.5cm) What makes this watch so special is the cream / off white dial with baton gold hour markers. Track around the outside of the dial, clearly marked Rolex and signed in red 'Officially' making this even more rare. Having passed through our workshop it's in fine working order. Our View- Possibly the finest example of a 6085 anywhere!
