Description

Two elegant matching dress or fur clips which can be worn separately or joined together to wear as a single substantial brooch with the "duette" fitting. The baguette and old-cut pastes are beautifully bright and sparkly and the piece is sturdily manufactured in solid silver. Dating from c.1930s, the clips are lovely quality and in very good vintage condition, with good strong hinge clips and trombone brooch clasp. One paste is vacant, though very hard to spot. We have cleaned but not overpolished, we leave it to you to polish up more meticulously if that's your preference. Marked SILVER on each clip and on the duette frame, with a French boar silver hallmark and a sponsor's mark which reads MECAN or MECAR. Size: Approximately 5 x 2.5cm. Total weight: 23.0g.
