A complete set of 4 brass fire irons on original stand, well looked after by previous owners as both colour and patina are really fantastic. Very practical companion set for any fireplace as they don't take up too much room. All sizes are in inches. Stand is 18 and tools are 13 shovel width is 4.5 . Some small dents to base but this in no way detracts from the use or overall look of this charming set as they are consistent with age. Delivery to UK mainland is INCLUDED in the price.
