Description

A stunning high back settle of small size. 43 inches wide ,56 tall construction is of top quality figured oak, with beautifully shaped arms and gently curved for comfort. Age related fading to back ,from many years of happy revellers,who have enjoyed a pint or two. Could easily be polished out but I believe this adds to the charm of this lovely piece of furniture.. we actually have a matching settle in stock ,if you require a pair with a strong arts and crafts feel . Seats two people comfortably. Delivery to England Wales and Scottish borders via courier service £80.00. Thanks for looking.
