Description

Victorian mahogany open armchair This superb Victorian mahogany open armchair was made circa 1860. This example is as good as you are likely to find with its buttoned spoon back and the open arms. The carving is finer than you would usually expect to find on other chairs of this type. Having a beautifully carved top rail on the wooden frame, the spoon back shape runs down to the padded armrest and the flowing arm supports with the wonderful carving. The finely carved cabriole front legs are joined by the serpentine front rail that again has fine quality carving. Imagine this wonderful chair in your home and sitting back and relaxing into it. 70cms wide 27 1/2ins 99cms high 39ins 66cms 26ins deep 50cms seat depth 19ins 46cms seat width between arms 18ins 41cms seat height 16ins All Measurements are as accurate as possible Delivery UK mainland FREE Other destinations please contact us, and we will get a quote.
