Width = 35 cm (13.8")

Description

This Chronographe Suisse is a rare find! This Chronographe Suisse Incabloc is a such a special watch, and in great condition too, one of the first waterproof Chronographs of the time, in fact it used a patented case type to ensure that the watch remained waterproof. At approximately 35mm it has a decent case size., unlike many of this era. Black Gilt Gloss Dial with painted Arabic Numeral hour markers that match the colour of the hands. Signed caseback. Serial dates the watch to the 1950's. This is a manual watch powered by the legendary Landeron 248 Incabloc movement. Fitted to a generic strap. For more images and or questions please do not hesitate to contact us. Our View- A special watch and a great find
