19th Century Walnut Gilt Embossed Screen

Price

Sold**Item Reference: SA112319****Date of manufacture: 1880**

Description

This is a gorgeous 19th Century Walnut Gilt /Copper Screen. It is made of embossed papier Mache and it is stunning. Each panel is the same and it is the same as on the back. It has cherubs, lizards, monkeys, butterflies etc...It is in very good condition in view of its age, it has had some small areas of restoration. It measures 84" high, each panel measures 27" wide and the total width is 81". It is far nicer than the pictures, these do not give it justice.
