## Description

1930s Vertex Revue pocket watch. The watch has a 15 jewel calibre 30 stem-winding movement, signed Vertex Revue, which is working nicely. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is chrome plated and it is in good condition, just general light surface marks. The inside of the hinged case back is signed Vertex. The glass lens has a 5mm scratch but otherwise is in lovely condition. The signed dial is in lovely original condition with original blued steel hands, a subsidiary seconds dial and outer minute markers. The watch comes in a new presentation box.
