Description

Antique Revolving Desk Chair. A lovely antique swivel desk chair, ideal for any period office. We bring to you this charming Antique 1920's desk chair in superb condition made from Beech & Ash around 1920. This chair has beauty in its simplicity and is perfect for any vintage or antique themed office whilst being able to hold up to every day use. The chair features a smokers bow back, with turned spindle up-stands to a 1 piece solid Ash seat with stunning fiddle back grain. The seat swivels on its original a cast iron mechanism with a ball bearing race keeping the chair solid whilst easily rotating with no 'play'. The swivel base stands on 4 slender high curved legs which are all solid with no breaks. This desk chair has a nice light yet mellowed colour and would blend in with many different types of wooden desks. This simple chair is fixed height so does not adjust up and down and is non reclining. We have cleaned, waxed and serviced the mechanism on this chair to ensure it is ready for its new home. The chair would look great alongside an antique twin pedestal desk and would be a great addition to any period themed office or study. Dimensions Back height: 800mm Wi...
