Description

Decorative Original Painted Pine Antique Side Table A elegant and good sized antique side table that stands well on four shapely legs, still in the original burnt reddy paint finish with original gilt highlights and a wonderful, original Chinoiserie work table top. To the front is a central working drawer which is flanked by a pair of smaller dummy drawers. Behind these lie secret compartments, as two pales on the table top lift out to provide a larger tale top area, showing the compartments beneath. To the centre, a vanity mirror slides up into position for use. Could be used as a writing desk too, as the leg clearance is very good. In superb condition, complete with the original brass handles, stands firmly and works well. Dates to around 1900. Dimensions Height: 73cm (28.97") Width: 75cm (29.76") Depth: 42cm (16.67")
