Date of manufacture: 19th Century

Dimensions

Height = 49.5 cm (19.5")

Width = 90.2 cm (35.5")

Depth = 42.5 cm (16.7")

Description

A wonderful pair of early Nineteenth Century cast iron recumbent lion sculptures on their original plinths; beautifully modelled with flowing manes, large paws and characterful faces. The lions were made in sections and were probably intended for entrance gate piers or on a portico. The lions make quite a statement and could easily be used in a hallway, orangerie or out in the garden.

Internal Ref: BA1300
