Description

A beautiful Indian solid sterling silver table cigarette or cigar box (the central division can be adjusted or removed to accommodate either). It is hallmarked STERLING SILVER and dates to c1920. It has been beautifully designed with the lid depicting a village scene. The cartouche is free from any engravings. It is in superb condition being free from dings splits holes and repairs. It measures approx. 6.25 inches (15.8cm) across by 3.75 inches (9.4cm) wide by over 1.5 inches (4cm) tall and weighs 450 grams (including the wooden liner and there most likely will be a base plate). A very high quality clean interesting piece.
