Price

Sold

Item Reference: SA1124250

Date of manufacture: 1900

Description

A good solid art's and crafts piano, regularly tuned, see photos for label. Examples of These pianos usually have tall, but optional, candle holders to each end. However, this piano owner opted not to include them. All in good condition no sticky keys over strung and under damper with the Bechstein cast badge to frame. Examples of this piano can easily be found in reference books or online plays really well. Delivery contact for price Thanks for looking.
