Description

Size: 16ft 1in x 6ft 4in (490 x 194cm). Antique Turkish Reyhanli kilim from south-east Anatolia, with excellent design and colour. Circa 1890. This kilim was woven in two parts on a narrow loom and then sewn together, this is why the design and colour is very slightly different on each side. This adds to the visual impact of this kilim. The colours are outstanding and all the whites are woven in cotton. An outstanding kilim of very large size. Reyhanli, is a town and district in Hatay Province on the Mediterranean coast of Anatolia, is known for its traditional kilim weaving. The kilim is in excellent condition with very slight wear and no damage. The kilim is suitable for normal domestic use. The kilim has been hand washed and is ready for use or display.
