Description

WE ARE SORRY THIS WATCH IS NOW SOLD. TO SEE OUR LATEST FULLY RESTORED WATCHES PLEASE VISIT OUR MAIN WEBSITE WWW.FOWEYRIVER.COM Professionally serviced and in mint condition. This is a very fine example of a gents watch made by the premier swiss maker Longines. The watch case is of polished stainless steel which is extremely robust and durable which enables you to use it as an everyday watch or equally for special occasions. The 17 jewel gold plated movement is an absolute gem and is regarded as the finest movements ever made by Longines during the golden age of Swiss watch making. The two tone champagne coloured dial is completely original and in mint condition as are the hands which have luminous dot markers. The dial measures 31mm in diameter not including the the crown. This is a rare and desireable watch which is very sought after by collectors. The watch comes with a brand new presentation box to keep it in perfect condition. As you would expect from Longines the watch is fully marked on the dial, movement and case. It is marked with calibre 12.68Z and serial number 9466384 which dates this to around 1954. There are NO inscriptions either inside...
