Description

R. Noël. French (b.XIX - d.XX). A La Mémoire De Courbet. Gouache & Watercolour On Buff Paper. Signed Lower Right. Image size 16.5 inches x 27.5 inches (42cm x 69.5cm). Frame size 25.8 inches x 38.6 inches (65.5cm x 98cm). Available for sale from Big Sky Fine Art in the English county of Dorset, this original painting is of the French Navy Ironclad Warship Courbet and dates from around 1910 to 1912. The creator is not listed as an artist in journals or art indexes but it is likely that the artist was a sailor serving on the warship. It is presented and supplied in a sympathetic contemporary wooden frame (which is shown in these photographs). The paper surface has benefitted from cleaning, restoration and conservation, which was performed on our instruction, supervision and approval. This antique painting is in a good sound condition providing heightened decoration and historical record for many decades to come. The buff colouration of the paper and the paint pigments perfectly represents the aesthetics of the era in which it was created. It wants for nothing and is supplied ready to hang and display. The painting is signed lower right. Good News for our US Cus...
