Description

This is a very good, heavy and solid, set of ladder back chairs in solid elm with recently re-rushed seats in excellent condition. . The chairs have no worm, damage or repairs and no movement in the joints. The front stretchers have some light wear and rubs from several generations of use and the feet have a little wear also but nothing significant and they sit straight true and firm. . Two carvers and six standards, a true set and with the beautiful rich and warm colour that elm always radiates. . Would cost a fortune to have these made today! . . Dimensions are: . Carvers – 24 inches wide, 20 inches deep and 43 inches high. Floor to seat is 18 inches. . Standards - 18.5 inches wide, 17 inches deep and 39 inches high. Floor to seat is 18 inches. . For metric please multiply by 2.5
