Description

A stunning, fine and impressive antique 0.50 carat Colombian emerald, 1.94 carat diamond, platinum and 18 carat yellow gold set trilogy ring; part of our diverse engagement ring collections. This stunning, fine and impressive antique emerald trilogy ring has been crafted in platinum with an 18ct yellow gold setting. The pierced decorated setting displays a stunning feature yellow gold four-claw set 0.50ct octagonal cut Colombian emerald. The emerald is flanked on either side by a stunning 0.98ct and a 0.96ct Old European round cut diamond. The elevated and pierced decorated ring shoulders of this antique emerald and diamond ring integrate with the main setting and blend seamlessly with the plain ring shank. The interior of the ring shank is hallmarked with the platinum mark (PLAT) and has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as platinum and 18 carat gold. This impressive antique emerald and diamond trilogy ring is supplied with two IDGL diamond grading report certificates, in addition to an emerald report and certificate supplied by the Gemmological Certification Services (GCS)*.
