Description

Well proportioned French pale cherrywood commode chest of drawers with a cherrywood top, circa 1850. Lovely light colour to this chest of drawers and gives good storage with the four full width drawers (there is a frieze drawer just under the top). Nice that this commode has its original cherrywood top as so many of these have a heavy marble top. Also quite a shallow depth for one of these too, so it can work in a living room setting as well as a bedroom storage piece. Cleaned and beeswax polished so it has a nice mellow glow with some of the usual age and use related marks you would expect. Measuring: 34 1/2 inches or 87.5 cm high 47 3/4 inches or 121.5 cm wide 20 inches or 51 cm deep
