This 1920s Victorian-style cheval mirror exudes elegance with its hand-carved wooden frame and black lacquer finish. Featuring an arched mirror with ornate crest carvings, turned spindle supports, and scrolled feet, it offers both beauty and stability. The mirror tilts for adjustable angles, secured by original brass fittings. Though designed in the Victorian style, this is a high-quality 1920s reproduction, reflecting the mid-century fascination with historical revival furniture. Perfect for dressing rooms, retail spaces or vintage interiors. //////////////////////////////////////
