Description

Super pair of French Louis XVI style open armchairs in a wonderful vintage sage green upholstery and finished with brass studs...circa 1900. Well carved and fluted arm rests columns and legs, the chairs are of a good size so when you sit in them, the back of the chair is headrest height for me (I am 5'10" tall) and the shaped backs make them very comfortable too. The current upholstery is vintage, but certainly useable if the colour works for you, or they can be re upholstered in your own choice of fabric...please get in touch for meterage and cost. Priced as the pair and as they are in the vintage upholstery. Measuring: 39 inches or 99 cm high 27 inches or 68.5 cm wide 31 inches or 78.5 cm deep 17 inches or 43 cm seat height
