Description

A stunning antique burr walnut console side table in the Queen Anne style. This was made in England, it dates from around the 1920's. The quality is outstanding, this has lots of crisp carving around the top and lower edges. It stands on beautiful cabriole legs with shell carving at the knees and hairy paw feet. The felt lined drawers have lovely brass handles and fine, hand cut dovetailed joints. This has gorgeous grain patterns and a beautiful colour tone. We have had this re-polished, the condition is excellent for its age. Width – 39 inches , 99 cm Depth – 20 inches , 51 cm Height – 31 inches , 79 cm
