Description

A stunning original Art Deco burr walnut cocktail cabinet. This was made in England, it dates from the 1920-30's. It is beautifully designed and is of superb quality. The proportions are lovely, this is a very useful size and has some great features. The upper cabinet has a mirrored back and mirrored serving area, with two mirrored shelves built in to the doors. The doors have additional shelving and even retain the original cocktail picks, juicer and knife. There is further storage in the lower cabinet, the doors have gorgeous burr walnut grain patterns and very interesting metal handles. We have had this recently stripped and re-polished to a very high standard, the condition is superb throughout. Width – 89 cm , 35 inches Depth – 46 cm , 18 inches Height – 163 cm , 64 inches
