Description

A beautiful antique burr walnut coffee table in the Queen Anne style. This was made in England, it dates from around the 1920-30's. The quality is superb, this has stunning burr walnut grain patterns on the top and side edges. The top is cross banded, there is incredibly fine carving around the edges. This stands on cabriole legs terminating in claw and ball feet. We have had this recently re-polished, the condition is excellent for its age.
