Date of manufacture: 1900

Description

A superb hand made Indian antique solid sterling silver bowl, possibly designed to hold a candle or incense. It is unmarked but tests as high grade silver. I would date it to c1900. It has been superbly designed in the form of a flower and leaf. It is in super condition being free from dings holes splits and repairs. It measures approx. 3.25 inches (7.8cm) tall by 2.5 inches wide at the base and weighs 60 grams. A very interesting piece.
