Description

A rare antique solid silver and enamel souvenir spoon. It is marked with the 800 silver standard mark and a makers mark, I would date it to c1910. It has been superbly designed with the bowl being hand painted enamel. It is in super condition being free from dings splits distortions and repairs. The enamel is perfect. It measures approx. 4.75 inches (12cm) long and weighs 14 grams. A rare and interesting piece.
