Description

A stylish and very well made original Art Deco figured Walnut occasional side table / coffee table. This was made in England, it dates from the 1920-30's. The quality is fantastic, this has a beautiful figured walnut top with canted edges. That sits on a central pedestal base terminating in a walnut square platform base. It is a great size to be used as an occasional side table or as a coffee table. We have recently had this stripped and re-polished to a very high standard, the condition is excellent for its age.
