Description

A beautiful Norwegian antique solid silver tea strainer. It is hallmarked with the Norwegian 830 standard mark along with the maker being Magnus Aase who operated in Bergen from 1876 to 1953, I would date this piece to c1920s. It has been superbly made being plannished and decorated with flowers. It is in superb condition, having no dings, splits, holes or repairs. It measures approx. 5 inches (13cm) across including the handle and 3 inches (7.4cm) excluding the handle and weighs 42 grams. A beautiful piece.
