Description

A lovely antique silver coin purse on a chain, probably made to be attached to a lady's chatelaine. It is decorated in scrolling repoussé designs on both sides. It is excellent quality with a clasp and brown leather lining. The hallmark is worn and difficult to read but we believe the maker to be Henry Clifford Davis from Birmingham and this dates to the early 20th Century. It is in good condition for its age. There are some general signs of age and use and some small dinks and dents and light surface marks but nothing detrimental and no major damages. The interior is clean and tidy. It has been cleaned and gently polished and overall it displays very well. Approximate Measurements : Height : 8" / 20cm to top of chain Height : 2 1/4" / 6cm Width : 3 1/2" / 9cm Depth : 1" / 2.5cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
