Description

A lovely set of 6 silver teaspoons in their original box. They are excellent quality with ornate scrolling designs, similar to that of King or Queens pattern flatware. Each spoon is fully hallmarked for Birmingham, 1911, I.S.Greenberg & Co. The total weight of silver is approximately 93g. They are in good condition with clear hallmarks. There are some faint surface marks but no major damages and they display beautifully. They have been lightly cleaned and polished and are ready for use. The set comes in its original silk and velvet lined box, with fitted sections to hold each spoon. The interior is clean and tidy and although there are some minor signs of age and use on the outside of the box and some small scuffs around the edges it still displays well. Approximate Measurements : Length of Spoon : 4 1/2" (11.5cm) Box : 6 1/2" (16cm) x 5 1/2" (14cm) The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
